

KOTZEBUE SHORE AVENUE PROJECT

CONSTRUCTION UPDATE WEEK OF MAY 31ST

Weekly updates will be provided to the public as construction progresses on Shore Avenue. All updates will provide information regarding Construction Schedule, Work Zone Locations, Traffic Control Measures and Public Safety & General Notices.

Please see map below for this week's active work zones.

Notices

The Kotzebue Roads-Shore Avenue Project is underway for the 2010 construction season. Work will progress from Vista #3 toward the south. Activities will increase after the 2010 shipping season starts. For employment opportunities please submit a resume to the Job Center, located at the Post Office. AIC encourages all local residents to take an active part in making the Shore Avenue project a safe and successful project.

Schedule

Project activities this week will include:

- Material hauling and staging from the project yard to Vista #3
- Gravel hauling from DCI and KIC's yards to Vista #3
- Pile driving at Vista #3
- Ground thawing

Traffic Control

This week AIC will have occasional traffic interruptions along Shore Avenue and side streets, when moving equipment and materials. Shore Ave. will continue to be closed at Vista #3 (House # 709 to 711) until further notice. Emergency vehicle access will be available 24 hrs. a day. Please follow all marked detours.
